

Specialist International Casualty Insurance Broker

At HWS Specialty we work with you as a true partner, delivering customised products and wordings that reflect the specific risks and locations of your projects.

HWS Specialty's Casualty Team brings extensive expertise in the global insurance market, with a deep understanding of the evolving challenges our clients face. Our long-standing relationships across Lloyd's and international insurers enable us to deliver bespoke solutions tailored to unique exposures.

Our team combines strong technical capability with deep knowledge of coverage and policy wordings. With multilingual expertise and enduring international partnerships, we confidently navigate diverse markets and complex cross-border risks. Beyond placement, we design innovative, customised structures that address each client's specific operational and geographic challenges.
